**RESPONSE TO NOTICE OF MISSING PARTS**

Dear Sir:

We have received a second Notice of Missing Parts dated December 6, 2004. A copy is enclosed. The notice indicates that an Oath and Declaration was not filed.

A complete, timely, and properly executed Oath and Declaration was submitted to the USPTO on May 10, 2004, clearly noting the application serial number and filing date. The Oath and Declaration filed was PTO/SB/103, executed by all three inventors. The inventor's names are visible, readable, as are their signatures and the dates of execution. A complete copy of the earlier submission is enclosed, including the OIPE stamped return receipt postcard acknowledging the earlier receipt.

Applicants submit their earlier submission on May 10, 2004 was complete and timely, that the present notice is in error and fails to illuminate any discrepancy in the earlier submission, and that no fees, other than those earlier provided are necessary.

Sincerely yours,

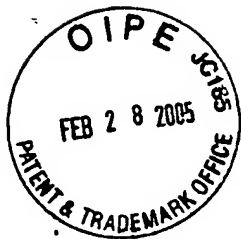

Andrew F. Young (Reg. No. 44,001)
